IN RE: PETITION FOR RECALL ARBITRATION

Villages of Rio Pinar Community Association, Inc.,

     Petitioner,

v.   **Case No.2016-03-1948**

Homeowners Voting for Recall

     Respondent

PETITIONER'S AMENDED RESPONSE TO RESPONDENT'S REQUEST FOR CLARIFICATION OF ORDER FOLLOWING CASE MANAGEMENT CONFERENCE

COMES NOW, **VILLAGES OF RIO PINAR COMMUNITY ASSOCIATION, INC.** ("the Association"), by and through the undersigned counsel, and files this Response to Respondent's Request for Clarification of Order Following Case Management Conference. In furtherance thereof the Association states the following:

1. Petitioner objects to this request as it has been made clear that counsel for the Association only represents the Association in this matter.

2. Counsel for the Association does not represent Thomas Dougherty or Ephraim Martin in their individual capacity.

3. Respondent's inference that there is an attorney-client relationship between the board members and counsel for the Association on an individual basis is presumptuous and appears to be a blatant attempt to complicate this matter further.

WHEREFORE, Petitioner respectfully requests that Respondent's request be denied.
