Community & Leadership Experience:

I have served on HOA Board since January of 2013 in various roles including Secretary, Director of Maintenance, and most recently the role of President. I've dealt with all facets of the HOA including: accounting, budgets, legal issues, management company contacts, security, law enforcement, contract negotiations, vendors, maintenance, and more. How would you contribute if elected?

Continue to push our community towards repairing its aging infrastructure and appearance issues. Fix what's broken and polish what's not. Continue to work closely with our vendors and assure they are providing the promised level of service we are paying them for. Foster community awareness open communication on social media and encourage everyone to take an active role in areas where they can help. Make The Preserve a community that people desire to live in so that property values continue to increase.
